

Dear Friend,

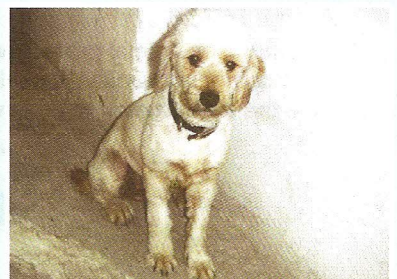

Please know that you are the hope for these suffering animals. Just \$14 can help buy needed dog food ... \$25 can help heal a dog hit by a car ... \$50 can buy medicine for the mange that kills so many ... \$100 can purchase four rescue crates we need so badly.

Any gift you give will help save a life!

All gifts go to IFAW's entire mission to save suffering animals. Your gift will go immediately where it is needed most.

Thank you for caring,

Julie O'Regan

January 2010

Dear Friend,

These are the faces of dogs suffering:

A six-month-old terrier - no longer wanted - is discarded in a death row shelter.

A tortured puppy lives a life of suffering, neglect and violence.

A terrified white poodle-cross cowers in a death row cell, her fur nearly gone and her skin scratched raw from hundreds of mites infesting her little body.

These are the desperate dogs of Mexico.

I am asking you today to step forward and help me stop this suffering.

Each year thousands of dogs - many with collars still on - are abandoned on the streets.

Why? Because people "lose interest." Because they consider animals "dumb throwaways" to be left behind when they move. Because they think they don't feel any pain.

My friend, I am writing to you because I believe you are someone who knows that an animal is a precious LIFE, that it depends on us when it is hungry, cold, hurt or sick.

(please turn over)
